RESOLUTION.

Receipts and Expenditure of the District Road Funds and District Road Accounts in the districts of Darjeeling, Singhbhum, Sonthal Parganas, and Chittagong Hill Tracts during 1903-1904.

READ—

Annual Reports and Accounts of the District Road Funds and District Road Accounts in the districts of Darjeeling, Singhbhum, Sonthal Parganas, and Chittagong Hill Tracts for the year 1903-1904, received from the Commissioners of Divisions concerned.

Read again—

Annual Reports and Accounts of the District Road Funds and District Road Accounts in Bengal for the previous year and the review thereof.

REMARKS.—The Bengal Local Self-Government Act of 1885 was in force in 1903-1904 in all the districts of the Province except the following:—

Darjeeling.
Singhbhum.

Sonthal Parganas.
Chittagong Hill Tracts.

In the Darjeeling district and in the Dhalbhum and Porahat parganas of the Singhbhum district the Cess Act of 1880 was in force during the year under review. It was also in force in certain tracts of the Sonthal Parganas from 1st September 1901, while the other parganas of the Singhbhum district and other tracts of the Sonthal Parganas and the Chittagong Hill Tracts district were not under the operation of either of the above Acts.

RECEIPTS.

2. In the Darjeeling district and in the Dhalbhum and Porahat parganas of the Singhbhum district in which the Cess Act was in force, the cess was levied at the maximum rate allowed by law. In the tracts of the Sonthal Parganas, however, in which the Cess Act was introduced, there were no cess collections during the year. For the Chittagong Hill Tracts and the portions of the Sonthal Parganas and Singhbhum districts which were not under the operation of the Act, and in which therefore there were no cess collections,

funds were provided by grants-in-aid. The receipts for the year 1903-1904, compared with those of the previous year, are shown below:—

3. In the Darjeeling district there was an apparent increase in the total receipts of the year, which was mainly due to the readjustment, in the year under review, of the sum of Rs. 1,00,000 received from Government as loan in 1900 and 1901 for the restoration of road-cess bridges damaged by the cyclone of September 1899. This amount was originally charged as "Contribution to Provincial Civil Works" under Accountant-General, Bengal's No. L.A.—326, of the 20th August 1901; but under his latest order, No. 795A.C., of the 19th January 1904, it was readjusted in January 1904 by credit to the head "Contribution from Provincial to Local" and by debit to "Original Works" (Rs. 90,827), "Repairs" (Rs. 7,806), and "Advances" (Rs. 1,367). In this district Rs. 20,754 was collected on account of cess on land during 1903-1904, against Rs. 20,695 of the preceding year, but under "Cess on mines etc.," there were no collections; the amount which was hitherto erroneously shown under the latter head has been included under "Cess on land" under Board of Revenue No. 3316A., dated the 23rd April 1903; the decrease in the total collection of "Cess on lands, etc.," was due to the payment of less advance by the cess-payers during the year. The increase in "Contribution from the Darjeeling Improvement Fund" was chiefly due to an additional contribution granted from that Fund to assist the Road Fund in carrying out original works in the Hill portion of the district.

4. In the Sonthal Parganas the increase in the receipts under "Grant from Government" was mainly due to larger grants than those in the previous year under the following:—

- (1) Grant for miscellaneous public improvements in Government Estates.
- (2) Do. from Forest Revenue.

5. In the Chittagong Hill Tracts the decrease under the head "Miscellaneous" was owing to the decrease in the tramway receipts, as the tramway at Barkal was let out on contract under Government orders.

6. The following table shows the outlay incurred in 1902-1903, compared with that of the previous year:—

7. In the Darjeeling district, as on the receipt side, there was an apparent increase on the expenditure side. Rupees 90,827 and Rs. 7,806 were debited by readjustment to Original Works and Repairs respectively in the year under review under Accountant-General, Bengal's order, as stated in paragraph 3 above. The sum of Rs. 801 shown in the accounts of the Committee under a separate head, "Signboards,—," under 45 Civil Works, represents the amount spent for putting up signboards on some of the road-cess roads. It should have been shown under "Repairs—Communications." In this district the year opened with a balance of Rs. 16,932, but it closed with a balance of Rs. 22,472. This closing balance was more than one quarter of the year's receipts of the Committee, that is, above the limit prescribed in paragraph 9 of the Resolution No. 4228R.C., dated 18th December 1885.

8. In the Sonthal Parganas district also the year opened with a cash balance of Rs. 43,969, but it closed with a balance of Rs. 54,727, which was excessive. The cause of this heavy closing balance was mainly due to—

- (a) the large amounts provided for certain bridge works which could not be spent owing to the projects pending since the early part of 1902 not having been approved yet;
- (b) the failure to make proper arrangements for the expenditure of the allotments received for miscellaneous improvements in Government estates by the regular executive staff under the District Engineer, who were not able to devote the necessary time to ascertaining the actual needs of the Damin and submitting definite proposals for execution.

9. Of the total expenditure incurred during the year, Rs. 2,03,185 was devoted to Civil Works, while the outlay under other sub-heads, exclusive of "Suspense Accounts," was Rs. 34,525 in the aggregate. The distribution of the outlay on Civil Works is as follows:—

* Including Rs. 7,806 out of Rs. 1,00,000 readjusted, as stated in paragraph 7 above.

10. *Original Works.*—No new works were carried out during the year in the district of Darjeeling. The sum of Rs. 90,827 shown as expenditure under "Original Works—Communications" represents the portion of the amount charged by readjustment of Rs. 1,00,000 as stated in paragraph 7 above. The principal works carried out in the other districts during the year 1903-04 are as follows:—

Singbhum district—

- (1) Graveling Gamaria—Jamda Road and second section of Chaibassa-Jyntguri Road.

* Inclusive of expenditure of Rs. 27,014 incurred on Imperial and Provincial Civil Works.

In the Darjeeling district the very low percentage is due to the fact that no Engineer was employed: all the works and repairs in the hills of the district and most of those in the Terai were executed by the members of the Committee and other private gentlemen to whom the thanks of Government are due for their assistance. The sum of Rs. 1,040 spent under this head was for the Public Works establishment in the Terai subdivision only. The percentage in the district of Sonthal Parganas is high. In this district the charges for establishment during the year were Rs. 15,848, against Rs. 16,903 of the previous year.

ORDER—Ordered that a copy of this Resolution, together with the Annual Accounts of the several District Road Funds and District Road Account, and abstracts from the reports of the Chairmen of the several District Road Committees be published in Part II of the *Calcutta Gazette*.

Ordered, also, that a copy of this Resolution be forwarded for information to the—

Commissioners of the Rajshahi, Bhagalpur, Chittagong, and Chota Nagpur Divisions;
Superintending Engineers of the Northern and Western Circles;
Inspectors of Works, Bhagalpur and Eastern Circles;
Accountant-General, Bengal;

By order of the Lieutenant-Governor of Bengal,

A. F. HIGGINS,
(Offg. Secy. to the Govt. of Bengal.)

Abstract of the Report by the Chairman, District Road Committee of Darjeeling, on the operations of the District Road Fund of the District for the year 1903-1904.

[Vide letter No. 76R.—F., dated 29th June 1904, from J. H. E. Garrett, Esq., I.C.S., Chairman of the District Road Cess Committee, Darjeeling, to the Commissioner of the Rajshahi Division.]

1. *Working of the Committees.*—(a) *District Road Committee.*—There were 18 members of the Committee—5 official and 13 non-official. Four meetings were held during the year. The average attendance was 8·2 or 45·5 per cent. at a meeting.

(b) *Kurseong Branch Committee.*—The total number of members were 8—2 official and 6 non-official. Five meetings were held during the year. The average attendance was 8·6 or 45 per cent. at a meeting.

(c) *Terai Branch Committee.*—Eighteen was the total number of members of this Committee—6 official and 12 non-official. Altogether six meetings were held during the year. The average attendance was 7·16 or 39·4 per cent. at a meeting. The attendance of the members of the Committee shows an improvement.

2. The year opened with a cash balance of Rs. 16,931-12-3 and advances outstanding Rs. 604-8-2. A sum of Rs. 48,266-6-10 was available for expenditure, excluding the sum of Rs. 1,00,000, received from Government as loan in 1900 and 1901 for the restoration of Road Cess Bridges damaged by the cyclone of September 1899. This amount was originally charged as "Contribution to Provincial Civil Works" under Accountant-General, Bengal's No. L.A. 326, dated the 20th August 1901; but under his latest order, No. A/C. 795 dated the 19th January 1904, it has been readjusted in January 1904 by credit to the head "Contribution from Provincial to Local" and debited to "Original Works" (Rs. 90,827), "Repairs" (Rs. 7,806), and "Advances" (Rs. 1,367). The actual expenditure during the year was Rs. 25,862-9-8, which excludes Rs. 98,633 charged by readjustment out of Rs. 1,00,000 mentioned above. The balance at the close of the year was Rs. 23,970-13-2 including the unadjusted advances of Rs. 1,498-12-11, outstanding at the end of the year; Rs. 1,367 out of this Rs. 1,498-12-11 outstanding advances, represents the unexpended balance of the above mentioned Rs. 1,00,000 readjusted. The closing balance was more than one-quarter's kist. This is allowed under Government order No. 5106 R. O., dated the 26th September 1902.

RECEIPTS.

3. *Provincial Rates.*—The Road Cess was levied in the District at the maximum rate of six pice in the rupee during the year. The sum of Rs. 20,754-0-1 was collected on account of Cess on Land during the year, against Rs. 20,694-7-9 of the preceding year. The Cess on Mines, etc., collected during the year was nil, against Rs. 389-1-11 of 1902-1903. The amount which was hitherto erroneously shown as "Cess on Mines, etc." has been included under the head "Cess on Land," under Board of Revenue No. 3316A., dated 23rd April 1903, hence nothing was credited under the head "Cess on Mines, etc." The decrease in the total collection was due to the payment of fees advance by the Cess-payers during the year.

4. *Contributions.*—(a) *Provincial to Local.*—The sum of Rs. 1,00,000 shown under this head, represents the amount credited by readjustment, under Accountant-General, Bengal's No. A/C. 795, dated the 19th January 1904 (*vide* paragraph 2 above).

(b) *Grant from Government.*—Rs. 2,458-0-8 and Rs. 384 were received from Government on account of 1½ per cent. of the collections from Government Estates and the Government share of the cost of Joint Cess and Towzi Establishment, respectively. The increase of Rs. 64-13-6 in the 1½ per cent. was due to the increase of collection from Government Estates. The decrease of Rs. 285-8-4 on account of Government share of the cost of Joint Establishment was due to the realization of the same at the new scale fixed by Accountant-General.

(c) *Contribution from Darjeeling Improvement Fund.*—The sums of Rs. 7,000 and Rs. 98 were received on account of contribution towards "Communications," and its share of the cost of Joint Cess and Towzi Establishment, respectively. The increase was chiefly due to an additional contribution granted by the Darjeeling Improvement Fund, to assist the Road Fund in carrying out Original Works in the Hill portion of the District, besides Rs. 2,000 granted as usual for repairs to roads in the Terai portion.

EXPENDITURE.

5. *Original Works.*—No expenditure was actually incurred for Original Works during the year. The sum of Rs. 90,827, shown under this head, represents the part of the amount charged by readjustment of Rs. 1,00,000 stated in paragraph 2.

6. *Repairs—Communications.*—The total expenditure under this head, as per details below, was Rs. 20,931-13-11, out of which Rs. 7,806 was charged on account of readjustment in paragraph 2. The actual total expenditure during the year was, therefore, Rs. 13-11 which, compared with the figures of the preceding year, shows an

increase of Rs. 1,797-5-7. This was mainly due to the repairs of the important Road Cess Bridges done by the Public Works Department.

7. Three hundred and eight miles of unmetalled roads, including the bridges thereon, were repaired at a cost of Rs. 12,875 or Rs. 41·8 per mile and 10 miles of village roads at a cost of Rs. 251 or Rs. 25·1 per mile. A sum of Rs. 1,960 (included in the above Rs. 12,875) was spent for the repairs of the principal hill bridges under the Darjeeling and Kurseong Committees. The increase in the cost per mile of the District roads is due to the circumstances explained in paragraph 6, and that of the village roads is mainly due to the expenditure incurred for the thorough repairs of a certain village road in the Hills which had not been repaired during the last two years. A sum of Rs. 300·12 was spent for putting up sign-boards on some of the Road Cess Roads.

8. *Water-supply.*—There was no expenditure under this head as this is attended to by the Darjeeling Improvement Fund.

9. *Loan.*—A sum of Rs. 3,693-0-1 principal and Rs. 3,618-1-7 interest was paid during the year towards the loans granted by Government in 1900 and 1901. No fresh loan was taken during 1903-1904.

10. *Public Works Establishment.*—There was no Engineer under the Committee during the year. All the works in the Hills and most of the works in the Terai were done by the Managers of Tea Gardens and other private gentlemen, to whom the Committee is thankful for their valuable assistance. The important bridges lately reconstructed were repaired by the Public Works Department at the cost of the District Road Fund. The sum of Rs. 1,040-4 was spent for the entertainment of an Overseer and a Peon under the Terai Branch Road Committee at Siliguri. Besides Road Fund works, the Darjeeling Improvement Fund and Government Estates' works are also done by the Road Cess Overseer. The pay of the Overseer was Rs. 60 with a fixed horse allowance of Rs. 20, and that of the Peon was Rs. 7 per mensem.

11. *Audit of Accounts.*—The members of the Sub-Committee have audited the accounts of the whole year. The accounts since November 1902 have not been audited by the Examiner of Local Accounts, Bengal.

DISTRICT ROAD FUND OFFICE,

DARJEELING;

The 25th June 1904.

Abstract of the Report by the Chairman, District Road Committee of Singhbhum, on the operations of the District Road Fund of the District for the year 1903-1904.

[Vide letter No. 52R.C., dated 30th May 1904, from H. F. Samman, Esq., I.C.S., Chairman, District Road Committee, Singhbhum, to the Commissioner of the Chota Nagpur Division.]

1. *Working of the Committee.*—The Road Committee held three meetings during the year, in all of which quorums were obtained.
2. The accounts were as usual audited by the Finance Committee appointed under section 174 of the Act. The Local Auditor inspected the accounts for the period from 1st September 1902 to 31st January 1904.

RECEIPTS.

3. The cess was levied at the maximum rate and there was no difficulty in collecting it at head-quarters. The demand on account of cess on lands and mines, etc., during the year, including arrears of last year, amounted to Rs. 14,835; of this Rs. 4 was collected in advance during the previous year, Rs. 29 was remitted with the Commissioner's sanction as irrecoverable, and Rs. 14,377 was collected within the year, thus leaving a balance of Rs. 425 only outstanding on 31st March 1904. Including a few small miscellaneous receipts, special and annual Government grants, and an opening balance of Rs. 2,904-13-11, the income available for expenditure in the year was Rs. 4,645-1-1.

EXPENDITURE.

4. *Civil Buildings—Repairs.*—The Road Cess building at Chaibassa was repaired at a cost of Rs. 255-3-5, including the construction of an additional verandah to the store godown, against the sanctioned allotment of Rs. 250.
5. *Communications—Original works.*—The following original and improvement works were executed during the year, at a cost of Rs. 10,145-12-6, against the budget allotment and special Government grant of Rs. 11,300 :—
 - (a) *Chaibassa—Jyntgurih road.*—Heavy and worn out portions of the second section of this road, aggregating about four miles in length, were mended with gravel, over a layer of soling where necessary. The lands along the sides of this road have also been acquired, but compensation for lands was not paid during the year.
 - (b) *Chakulia—Baharagora road.*—An important feeder road to the Bengal-Nagpur Railway. The improvement of this road being considered necessary, it was taken up in 1901-1902. A special grant of Rs. 3,856 was made during the year by Government for this road. The road was put in order. The works executed consisted chiefly of earthwork in raising low portions, and construction of eleven timber culverts of five-feet span with brick masonry abutments.
 - (c) *Chakradharpur—Goitkerá road.*—A special grant of Rs. 1,100 was made by Government during the year, and the improvement of the road was completed. The works done chiefly consisted of earthwork in raising low portions, making side drains, and reconstruction of culverts.
 - (d) *Kodli—Kálimá road.*—A feeder road to the Bengal-Nagpur Railway. Construction of this road has been taken up since 1900-1901. About three miles of the second section of this road was completed during the year.
 - (e) *Gamaría—Jamdá road.*—Nearly half the gravel collected in the previous year on this road was spread and consolidated during the year, at a cost of Rs. 200.
6. *Communications—Repairs.*—Sixteen roads were repaired during the year at a cost of Rs. 8,584-4-3, against the allotment of Rs. 8,800. The works chiefly consisted of the annual maintenance of these roads, including repairs to road surfaces and culverts and easing down a few of the steep approaches to beds of unbridged streams and rivers.
7. *Village roads.*—There are altogether eight roads, aggregating about 39 miles in length, of which 17 miles were repaired and made passable for cart traffic.

8. The following statement shows the length of district roads (metalled and unmetalled) and village roads, the amount spent on the maintenance of roads, and the cost per mile :—

Abstract of the Report by the Chairman, District Road Committee of the Sonthal Parganas, on the operations of the District Road Fund of the District for the year 1903-04.

[Vide letter No. 147 P.W., dated the 2nd June 1904, from A. N. MOBBLEY, Esq., I.C.S., Chairman of the District Road Committee of the Sonthal Parganas, to the Commissioner of the Bhagalpur Division and Sonthal Parganas.]

The provisions of the Cess Act were extended to certain selected portions of the district under Government Notification No. 4489 R.P., dated the 20th August 1901. But there were no cess collections during the year owing to certain difficulties having arisen with regard to the valuation of the estates borne on the tauzi roll of other districts.

2. Besides the Chairman, the Committee consisted of nine members, of whom three were *ex-officio* and the rest non-official. Of the latter, one is a Christian Missionary and the others belong to the class of landed proprietors or hold analogous positions. During the year the Committee held 11 meetings against 9 in the previous year. Of these, 6 were special and 5 ordinary meetings. No quorum was had in three of the meetings, which had to be adjourned in consequence. The average attendance of the members was 4.00 against 3.00 in the previous year, and the percentage of average attendance 40.00 against 33.30. The percentage of average attendance of the official members was 79.54 as compared with 13.63 of that of the non-official gentlemen. The low attendance of the latter is, perhaps, due to the fact that, as no cess was collected, there was no particular reason for their attendance, as they had no direct interest in the funds which were being administered, and that they all, but one, resided at a distance from Dumka.

RECEIPTS.

3. The year opened with a cash balance of Rs. 43,969, which, together with the receipt of Rs. 1,04,616, made out Rs. 1,48,585, available for expenditure during the year; of this, Rs. 93,858 was spent, leaving a closing balance of Rs. 54,727 at the end of the year. The cause of this heavy closing balance was mainly due to—

- (a) the large allotments, provided for certain bridge works, which could not be spent owing to the projects pending since early part of 1902 not having been approved yet;
- (b) the allotments received for miscellaneous improvements in Government estates not having been spent owing to the regular executive staff under the District Engineer not being able to devote much of their time during the year to ascertain the actual needs of the Damin and submit definite proposals for execution.

4. There being no cess collections, the receipts of the year consisted mainly of the Government grants-in-aid. The following table compares the receipts under several heads of the year with those of the previous year:—

			1902-03. Rs.	1903-04. Rs.

5. **XXXII.—Civil Works.**—The income under "Receipts from Staging Bungalows" rose a little owing to the larger collections from the Dumka and Rajmahal Dak Bungalows. The ferry receipts fell off owing to insufficient water in the rivers. Out of the three ferries

under the Committee, only one, namely, *Maharao*, could be sold to any advantage. The decrease in receipts under "Miscellaneous" is owing to much greater proceeds from the sale of the bumper fruit crops and to recovery of the value of missing tools in the year before.

6. The contribution from private persons is altogether a new item of receipts this year. Rupees 1,000 was received from the Sankara Ward's Estate for constructing Dhanbasa bridge, and Rs. 1,000 more has been promised by a zamindar, between whose zamindari and the Ward's estate the stream passes.

7. The grants from Government were composed of the following:—

	Rs.
(a) Fixed annual grant for road works	60,000
(b) Grant for miscellaneous public improvements out of 16 per cent. on collection	10,800
(c) 1½ per cent. on collections for improving communications	3,251
(d) Grant from forest revenue	15,656
Total	89,707

The increase is due to larger receipts under (b) and (d) than those of the previous year.

9. The expenditure of Rs. 133 under "Civil Buildings—Repairs" represents the cost of annual repairs to the Road office buildings, while Rs. 393 was spent in the previous year on the quadrennial repairs to the same buildings.

10. The decrease under "Communications—New Works" has already been explained in paragraph 3 (a) above. The increase under "Communications—Repairs" is due to the sanction of extra allotments for some of the district scheduled roads to improve their existing condition and to make them passable throughout the year.

11. The expenditure shown under "Deposits for Imperial and Provincial Civil Works" represents the refund of savings over the grants received during the previous year, separate accounts having been kept up for the main body of expenditure under Government Circular No. 11L.S.-G., dated the 2nd March 1903.

12. Attempts were made during the year to instruct the local weavers in the system of fly-shuttle looms under the supervision of Mr. Mukherjee, Deputy Collector. He laboured principally amongst the weavers in the Dumka Damin, and his labours met with partial success. The necessary apparatus was procured from Serampore and set up at Katikund where the local weavers of the neighbouring places received instructions. Some of the trained weavers at Dumka were sent on to Bario and Burhait with two looms to try to introduce the new system there. It is believed that they have done good work there.

13. *Original Works.*—There were twelve Damin bungalows under construction during the year and many of them have been completed. Two more were started in the Pakour Damin, one at Simlong and the other at Hiranpur, but no expenditure was incurred on them. The principal works carried out during the year in this district were as follows:—

LAND REVENUE.

- (1) Constructing Gumra Bridge with an expenditure of Rs. 1,309.
- (2) Providing corrugated-iron pipe-culverts for Dumka Damin, at a cost of Rs. 1,094.
- (3) Providing corrugated-iron pipe-culverts for Pakour Damin, at an outlay of Rs. 1,105.
- (4) Constructing Paharpur bundh in Godda Damin, with an expenditure of Rs. 600.

COMMUNICATIONS.

- (5) Metalling 1st mile of Hansdiha road at a cost of Rs. 731.
- (6) Constructing Dhoboi bridge with an expenditure of Rs. 8,898.
- (7) Improving Amrapara-Muraro road at a cost of Rs. 705.
- (8) Stone metalling road No. 2, Dumka-Rampur Hat road, at a cost of Rs. 855.
- (9) Constructing culverts on Dumka-Katikund road at an outlay of Rs. 521.

14. *Repairs.*—There were no changes in the classification or mileage of the scheduled roads. Some of these roads which were in a worse condition were greatly improved this year, extra allotments having been provided for them. The main roads in the district were maintained in passable condition throughout the year, and ordinary repairs to the rest were done as far as the funds admitted. Special repairs were done to the Bhagalpur-Suri road in miles 44, 50, 51 and 59, where the road was found giving way to the encroachment of the rain water.

15. The expenditure on repairs is classified in the following table:—

18. *Sanitation.*—The annual contribution of Rs. 60 to the Sanitation Committee at Rajmahal for sweeping Rajmahal town roads was continued during the year. Rupees 2,450 was spent in the Damin out of the allotment received from the Sanitary Improvement Grant mainly in constructing bundhs, sinking wells and excavating tanks.

19. *Arboriculture.*—Rupees 49½ was spent during the year against Rs. 160 in the previous year in planting new trees and in maintaining the existing ones on road-sides and within the compound of the inspection bungalows and in keeping up the nursery gardens. Besides, Rs. 631 was expended towards the salaries of 14 malis entertained throughout the year. About 1,151 new plants were planted during the year against 1,950 in the previous year.

20. The following table shows the amount spent on establishment and the percentage of its cost on expenditure on Civil Works :—

21. The total cost on establishment entertained during the year is as follows :—

				Rs.

Civil Works	15,846
Total	17,632

which is within the limit laid down in the Cases Act, i.e., one-fourth of the year's receipts, namely, Rs. 92,133.

22. *Water-supply.*—There was no outlay from the Road Fund. The amount spent under this head from sanitary improvement fund has been noticed in paragraph 18 above. It is reported that the water-supply during the year was sufficient throughout the district, and that the existing sources were enough for ordinary purposes. The following statement shows the thana totals of Form No. 1, prescribed by Government Circular No. 81.—M., dated the 15th May 1896.

RECEIPTS.

THE Chittagong Hill Tracts is a non-cess district. Neither the Bengal Local Self-Government Act, III of 1885, nor the Bengal Cess Act, IX of 1880, was in force in the district. The tramway at Barkal, which has all along been maintained by Government with an annual grant of Rs. 5,000, has now been let out on contract under Government orders. Its management was made over on 1st August 1903 to contractor Roy Abhoy Churn Mitra, Bahadur. The private traffic on the tramway and the earnings therefrom from April to July 1903 amounted to 2,767 maunds 19 seers and 8 chitaks, and Rs. 353, respectively. This amount was credited to the Fund.

3. Besides the above, as proposed in Bengal Government letter No. 623P., dated 21st February 1898, that all stores and other articles pertaining to the Lushai Hills and conveyed by tramway at Burkul should be charged against the Administration of Assam, the total charge against the Assam Administration for 238 maunds 11 seers 3 chitaks of goods at the usual rate of 2 annas per maund came to Rs. 63-15.

4. The grants from Government were as follows:—

6. Under orders of Government all transactions on account of Imperial and Provincial Civil Works in the district have been excluded from the accounts of the Road Fund; hence no amount was shown under the head "Deposits for Imperial and Provincial Civil Works."
